

INFUSÉ[®] CITY

Lavender Mint EcoLux[®] Air Dispenser Collection

The Infusé[®] City collection adds a luxurious touch to the guest experience. The hidden locking mechanism of the EcoLux[®] Air dispensers inconspicuously provides theft and tamper resistance while keeping the focus on the elegant bottles and salon-quality products. Brackets are mounted using drill-free adhesive for quick, damage-free installation. The fresh Lavender Mint formula is biodegradable and vegan friendly, making it a pleasing choice for your guests.
